The Organization

South Central Industrial Association (SCIA) was established in 1997 as a non-profit organization designed as a network for industrial businesses. South Central Industrial Association represents more than 250 member companies with over 200,000 employees, many of whom are engaged in servicing the oil, gas, and marine operations in the U.S. Gulf of Mexico and around the world.

We serve as the economic engine for the Bayou Region, which is the hub for the offshore oil, gas, and marine service businesses in Louisiana, while being interactive with the industry throughout the nation. In recognizing that we are “strength in numbers,” SCIA advocates for levee protection, infrastructure, regulatory issues, workforce development, coastal preservation, and coastal restoration.

SCIA Office Location

The SCIA office is located at the Fletcher Workforce Building, 1407 Hwy. 311, Schriever, LA and serves as the primary location for committee and special meetings.

SCIA General Membership Meetings

All SCIA meetings are typically on the 3rd Tuesday of every month (date subject to change based on speaker availability) at Cypress Columns, Gray LA. These meetings are a great place to network with about 200 people in attendance. RSVP is required. Meal price is \$30.00 per person, and must be paid in advance via RSVPify, check or credit card. Prior to the membership meeting, we take time for networking from 11:15 a.m. to 11:45 a.m. The membership meeting begins promptly at 11:45 a.m. and ends at 1:00 p.m.

SCIA Membership Dues

Membership dues for new members are \$400 Industrial & \$450 Non-Industrial for each company. Initial membership is prorated according to the month in which a company joins. Membership dues renewal (\$350.00) is effective in January of each year and can be paid either by check or credit card.

We also offer a **Corporate Membership** package, which ranges from \$2,500-\$15,000 and includes various activities. Contact the executive director at 985-851-2201 for detailed information.

Key Dates and Times

General Membership Meeting	SCIA Banquet	Annual Golf Tournament	Annual Crawfish Boil
Third Tuesday of every Month 11:45 am - 1:00 pm	June of each year	First Monday of October At Ellendale Country Club	Thursday following Easter Under the Buquet Pavilion at Southdown Plantation

SCIA Activities & Committees

The SCIA committees are the cornerstone of the organization, supplying the needed talent to accomplish our goals.

Three of our committees support the organizations' mission through fundraising efforts. The SCIA Banquet committee hosts in June of each year. Our annual Golf Tournament is led by a team of dedicated golfers. It is held on the first Monday of October at Ellendale Country Club and is considered one of the premier tournaments in the region. Nothing beats our annual Crawfish Boil that is held the Thursday following Easter of each year under the Buquet Pavilion at Southdown Plantation with over 850 people in attendance.

These events provide funding for programs such as: Restore or Retreat, LA 1 Coalition, Morganza Action Coalition, I-49 Coalition, Workforce Development, South Central LA Technical College, Fletcher Technical Community College, and Nicholls State University Foundation, as well as several high school scholarships.

We have two very productive action committees that include:

- Industry Impact Committee – Enhances regional workforce development and economic growth, with a particular focus on the energy and industrial sectors
- Legislative and Policy Committee – Actively engages with policymakers to advocate for legislation that benefits the industrial sector in South Louisiana

If you would like to be a part of any of our committees, please contact the SCIA office at 985-851-2201.

SCIA NextGen Leadership Coalition

The newly formed SCIA NextGen Leadership Coalition (NGL) is an initiative designed to foster the development of future economic leaders for the organization and the wider region. Comprised of the next generation of business and community leaders in the Bayou Region, the NGL is dedicated to advancing key issues and projects that align with the broader SCIA strategic plan as well as supporting initiatives approved by the Board of Directors. There is a \$100 investment per participant.

Additional details and requirements can be found on our website.
